Growing together in worship... reaching out with Christian love

November is a month where we choose to remember.

The changing of the season fosters a reflective mood, the dying back of foliage and the shortening days, often lead to a contemplating of the fragility of life. **At St Mary Magdalene Church, Stilton on the 1st of November we hold our Service of Light** where we remember those we loved but who are with us no longer. **Please join us if you would like to come and remember someone who was special to you.**

In November we also celebrate Remembrance Sunday and the Armistice. We want to honour those who have died in war so that we might be free. We want to remember their courage and sacrifice but also to recall the ensuing peace, with gratitude for those who fought to win it.

In the midst of remembering I think of the prophet Micah from the Old Testament who presents us with a vision of the future, a future arising from God's plans for us which are to bring love, joy, justice, hope – and peace. Micah describes that peace when God's ways are fully known and lived out throughout the world. ***It points to a future when swords will be turned into ploughshares, and spears into pruning hooks; so that instead of bringing destruction, the weapons of war will be transformed to till the soil.***

Micah paints a picture of human flourishing, where lives are lived in harmony and peace. This is the kind of future those we remember hoped, fought and died for. This is the kind of future that, by continuing to remember, we strive to bring about.

As always, should you need anything, please do get in touch. My door is always open for a cuppa and a chat. To be added to our weekly e-newsletter for all the up-to-date news on our events please email stiltongroupofchurches@gmail.com.
